# *Wedding Days*

## The “Where” is often a difficult choice...

The Redcastle Oceanfront, Golf & Spa Hotel is quietly located on the picturesque Inishowen Peninsula and rests on the shoreline overlooking Lough Foyle with breath taking views out across the water to the mountains beyond.

With 93 bedrooms and suites many with dramatic sea views, the hotel is ideally located to make any event especially memorable.

The hotel’s own parkland golf course, Thalasso therapy pool and inspiring Spa make this an envied location in every respect.

...we hope to make it easy.

## A very special place...

The Ocean Suite sits at the water's edge with panoramic views across the water. Accommodating up to 300 guests and with its' own outside terraces and bar, the Ocean Suite is almost unrivalled for its' location and views.

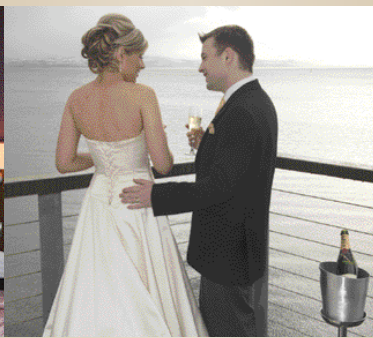

Civil ceremonies are also obviously most welcome and we offer a range of menus and packages to take full advantage of our magnificent setting.

Attention to detail, the best locally sourced food and personal old fashioned service are our trademarks and the basis of our envied reputation.

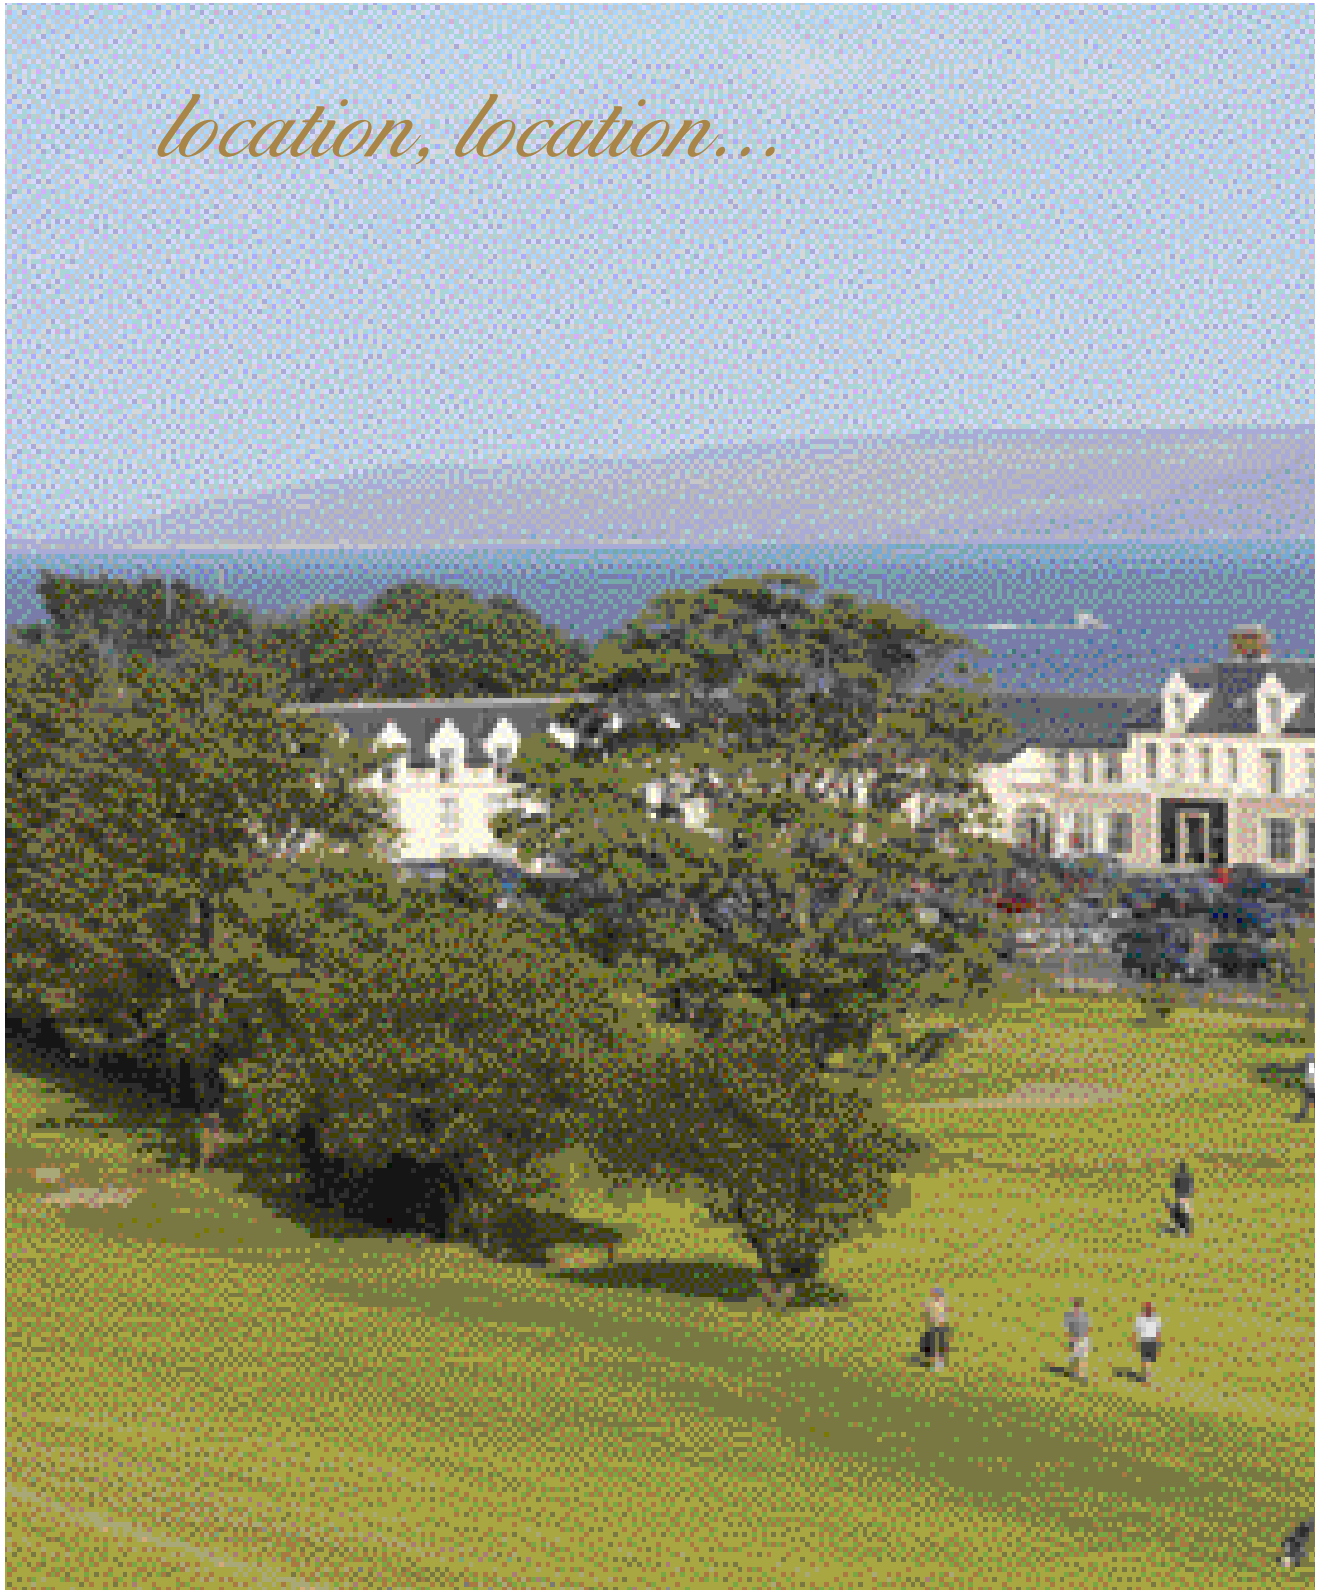

We are here to assist you every step of the way, helping you to enjoy the entire experience, comfortable in the knowledge that you are in safe and professional hands.

...waiting for you.

## Relax, Indulge & Enjoy

The Hotel boasts a magnificent Spa where you can relax and indulge yourself, resting the mind, treating the body or simply just unwinding before or even after that special day. Our Spa offers a range of personalised treatments utilising sea minerals and wraps combined with the very best Elemis products.

The Thalasso Pool uses salt water therapies to gently massage the body whilst evoking relaxation and calm. Ladies indulge yourself or your bridal party with a tailor made package to suit your individual needs with one of our experienced Spa Therapists.

For the Gentlemen our Parkland Golf course allows some distractions of another kind with stunning and difficult holes hugging the shoreline and parkland setting. Afterwards treat those aching muscles to one of our specially designed deep muscle massages, perfect after a challenging round!
